## Sign Application Instructions

1. Fill in owner and property information on sign application form
2. If in the Historic Overlay District, any new sign will require approval from the Town Planner prior to the issuance of a Sign Permit.
3. Check off appropriate sign information blocks on application form.
4. Read terms and conditions and sign the application form.
5. Supply required documentation as illustrated below

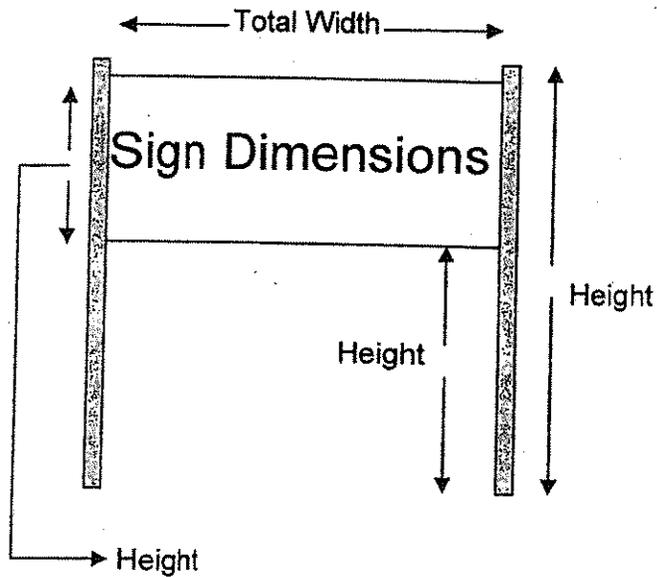

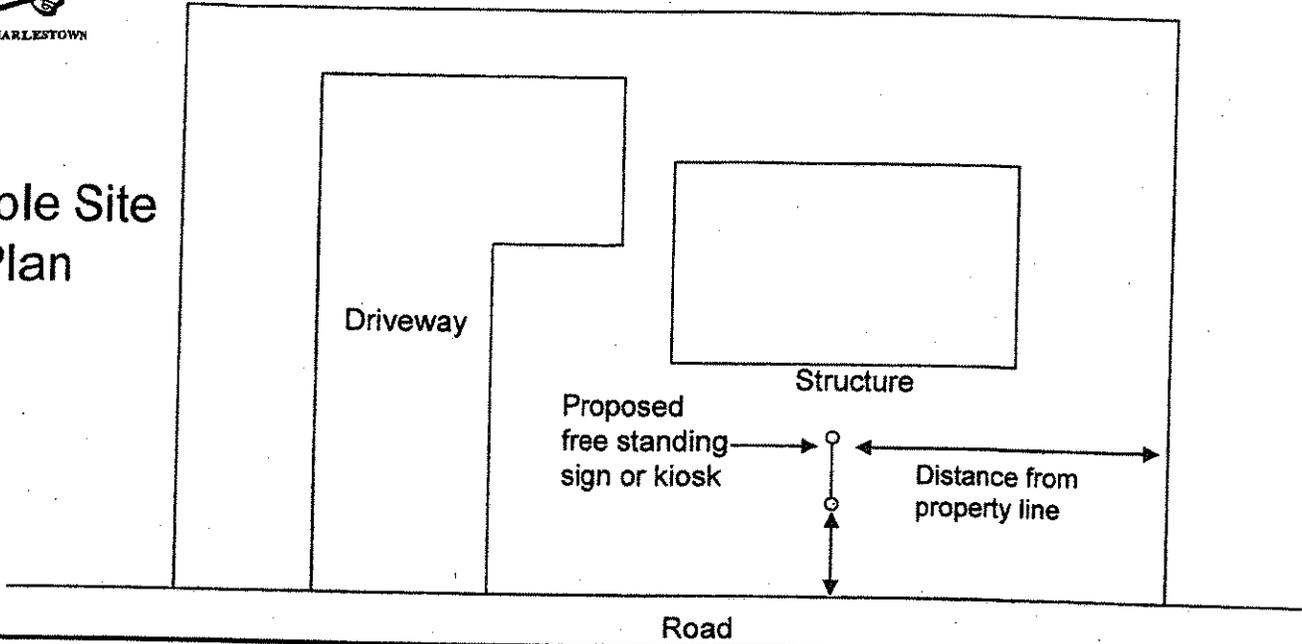

### Documentation required for Sign Permit

1. **Site Plan** illustrating the location of the sign in relation to the building and all property lines and streets. (see sample site plan)
2. **Detailed drawing** of the proposed signs illustrating the following:
  - Size of Sign - area, height, width & thickness (see sample drawings)
  - Material from which it is to be constructed
  - Construction detail such as support structures, proposed lettering, pictorial material, positioning of lighting and any other extraneous devices.
3. **Historic Overlay District** (In addition to the above requirements)
  - Colors of proposed signage (colored photographs are helpful)
  - Architectural compatibility with building
  - Signs shall be wood and painted material only
  - The method of installation must be concealed
  - Flat signs shall be framed with raised edges
  - Town Planner Approval
