RE: Tentative FY21 Budget for Public Hearing

Date: April 14, 2020

Enclosed please find the Tentative FY21 Budget. This budget includes the changes listed below, resulting primarily from the amendments approved at the April 13, 2020 Town Council meeting.

- \$15,000 reduction to 01.995.9915 Revaluation account
- \$75,000 reduction to 01.995.9985 Transfer to Pond and Beach Preservation account
- \$189,616 reduction to 01.995.9919 Transfer to Open Space Bond account
- \$100,000 reduction to 01.995.9920 Transfer to Environmental Resilience & Adaptation account
- \$35,000 reduction to 01.990.9984 Waterfront Property Survey account
- \$15,000 transfer from 01.990.9984 Waterfront Property Survey account to 01.620.6065 Purchased Services – Trails & Fields Maintenance account
- \$1,250 transfer from 01.410.5005 Town Council Salaries account to 01.530.6075 CEMA Tools & Equipment account. Please note that this amendment was discussed as a \$500 increase for each Town Council member for a total of \$2,500. The proposed increase in the Budget Commission recommended budget used an effective date of January 1<sup>st</sup>, resulting in a recommended increase of \$1,250.
- All changes above will reduce the General Fund Balance Transfer revenue account 01.350.3530

This is a total reduction of \$404,616, resulting in an overall budget of \$30,134,024.

Please also note that one adjustment has been made to the title of Department 990 from “Capital Improvements” to “Capital Transfers & Improvements”. This change is proposed in an effort to be transparent with respect to capital projects that are planned during the fiscal year, but for various reasons may not be complete until the following fiscal year.

**460-6020 - OPERATING SUPPLIES - \$11,000**

This account is used to purchase paper and envelopes for the annual Tax Bills as well as our general office supplies, such as paper for delinquent notices, letterhead, business cards, folders, storage materials, window and regular #10 envelopes, calculator and computer supplies (paper, toner cartridges, adding machine rolls and ribbon) along with the many other miscellaneous office supplies we need to function on a daily basis. I am again asking for an increase of \$1,000 from last year because the cost of printing the Tax Bills is approximately \$10,150. We received a credit on 2019 Tax Bills because of a printing issue on the 2018 Tax Bills. The preceding figure includes additional paper to print Bank Bills and Tax Bills in house for pre-paid accounts and new owners, etc. As you can see, at last year's figure, that would leave us with NO funding for office supplies throughout the year or we would end up moving money from another account to cover expenses. We need to purchase these additional supplies to keep the office operating efficiently.

**540-5025 - OVERTIME PAY - \$2,575**

To provide coverage for calls coming in after regular hours and provide emergency coverage in case the Police Department is unavailable.

**540-6020 - OPERATING SUPPLIES - \$6,500**

Anything needed to operate the Animal Control Department in a professional, sanitary, and up-to-date manner (e.g., animal feed and supplies, cleaning supplies, printing costs, office supplies, computer, and equipment, professional dues and subscriptions, license tags, traps, cages, advertising, repairs, and uniforms, etc.). This is one of the largest and most used line item, therefore, maintaining this level of funding is a reasonable request.

**SUPPLEMENTAL INFORMATON**  
**FY2020 - 2021**

**540 - ANIMAL CONTROL: (Cont'd)**

**540-6040 - MAINTENANCE & REPAIRS - \$6,000**

Anything necessary to maintain structure and upkeep of the shelter and to keep things in a proper working order including the replacement of such items (e.g., kennels, fencing, cages, catch poles, painting, appliances, windows, doors, lighting, locks, flooring, septic system, heating and cooling systems, floors, drains, etc.). Additional this fiscal year, there is a need to install and replace three kennel gate panels (stall fronts), kennel dividers, and chain link covers.

**540-6050 - PROFESSIONAL DEVELOPMENT - \$700**

This account is for personnel and volunteers to attend training and seminars (e.g., national/regional animal control association conferences) to keep current with newest training procedures, laws, and regulations pertaining to state licensed facilities. This includes dog training classes, membership fees, publications, registration fees, and travel expenses (meals, lodging). Attending these training seminars and conferences is an excellent opportunity to learn about new approaches and programs nationally and from around New England, to network with animal control officers and animal professionals, to provide training, and to attend educational sessions on a variety of subjects from leading industry speakers.

**540-6055 - PROFESSIONAL SERVICES - \$10,000**

Pays for emergency care and routine treatment of animals (e.g. veterinarian fees for animals struck by cars or for those that arrive at the shelter sick or injured). Emergency care often requires the use of a 24-hour emergency hospital. Other fees include euthanasia and disposal costs, leukemia/aids and heartworm testing and medical treatments, medications, etc. Also used to assist with the Spay/Neuter Program. This is a reasonable request since this line item includes fees for veterinarian services which are increasing each year. The budgeted amount is just keeping up with annual expenses and will vary from year to year depending on the number of emergency fees and kinds of medical treatment needed.

**540-6075 - TOOLS & EQUIPMENT - \$800**

Anything needed to maintain or upgrade necessary equipment to provide proper handling and restraint of animals (e.g., catch poles, traps, cages, carriers, kennel beds, gloves, etc.).

**620-5025 -OVERTIME - \$ 50,000**

The average overtime per employee each year is 153 hours. This budget more accurately reflects costs, as employees are shifted from the CRCC labor pool to work storms, providing faster and more complete service. Although this relates primarily to snow storms, it also covers hurricane/natural disaster response and weekend absenteeism at the CRCC. While this budgeted amount will not cover all costs related to a difficult winter season or numerous heavy storms, the "average" is budgeted as follows:

153 hours per year per man x \$23.90 avg wage x 1.5 (time and one-half) x 11 men (9 DPW, 2 CRCC) = \$60,335

**620-6160 - ROAD SEALING - (CONTRACT OPTION) – \$313,858 ( WITH STRIPING AND CRACK SEALING) - \$355,016**

This account is comprised of three components and is designed to prepare and stone/seal nine miles of road per year, thereby completely sealing all non-original bituminous highways in a seven year schedule. CHARLESTOWN DOES THIS WORK AT APPROXIMATELY 70% THE COST/MILE THAT OTHER COMMUNITIES SPEND! Projected costs for 1 mile of patch and stone seal coat 24' wide (14,080 sq. yards). **THIS PROCEDURE REQUIRES THE FULL HIGHWAY DEPARTMENT STAFF, AND WILL ONLY BE USED AS TOWN EMPLOYEE AND EQUIPMENT RESOURCES ARE AVAILABLE. IN OTHER CASES, THE LOWEST RESPONSIBLE, CONTRACTUAL BIDDER WILL PROVIDE THIS SERVICE.**

2020-2021	Projected cost for nine miles of contracted sealing for 2020-2021 with Town hot patch per mile 14,080 sq yds @ \$2.45/sq yd + \$1,724 (patch)	\$34,500 \$1,724 <hr/> \$36,224
	(miles of road)	<hr/> X 9

Stone seal: \$326,016 / Pavement Marking: \$18,000 / Crack-sealing: \$10,000 = \$354,016 + 1,000 (swale maintenance) = \$355,016

NOTE: Eighteen linear-miles of Town road, including eight linear-miles of white sideline are typically applied annually as part of a regional road striping bid. Historically the annual cost for this work is \$18,000, which is included in the road sealing budget line. Hot rubberized asphalt crack sealing, which protects hot-mix asphalt pavement, is projected at an additional expenditure of \$10,000.

Drainage swale sediment and removal maintenance: \$1,000

Analysis of potable groundwater quality relating to bacteria and nutrients and OWTS in densely developed areas. Nutrient concentrations in our watersheds are of considerable concern and the flux of nutrients from the groundwater system is a critical component in understanding and managing those inputs. Increased development, along with conversion of seasonal homes to permanent residences, is increasing the withdrawal of ground water in many areas, thereby increasing the potential for drinking water contamination from OWTS and saltwater intrusion. Obtain access for the sampling of 60 private wells and conduct laboratory analysis of major cations and anions and bacteria. (\$230/sample) \$13,800

Stormwater Sampling: Required sampling under State MS4 Permit for nutrients and bacteria in surface water flows into the Allen's Cove of Green Hill Pond includes sampling analysis of nitrate, ammonium, phosphorus, fecal coliform, e coli, and field sampling for temperature, specific conductivity, pH, resistivity. \*Note: a portion of program costs are offset by registration fees and sponsorships from local businesses for the past season we received \$1000 in sponsorship money. The Hall Monitor was added as a stipulation mandated by the Board of Education. **\*The added \$2,500 for basketball is due to the mandated Chariho maintenance employee that must be present at all weekend and holiday hours program is in operation at a Chariho School and the cost of this staff can vary from \$18.00 - \$40.00 per hour. \***

The increase of cost is due to the accurate cost of the bus and tickets for the Boston Celtics trip and the need for additional safety items, such as rented lighting for the Trunk or Treat event. Our teen dances have also grown with around over 100 participants each dance and a registration fee of \$10 the programs seem to generally produce revenue.

Full-time employees are required to co-pay 20% of their health insurance premium. Retirees covered with health benefits with no co-pay include 5 former municipal employees and 9 former police officers. Of these, 11 individuals are on Plan 65. There are 6 former police officers and one municipal employee who pay between 15 and 20% for their health insurance. An eyeglass/contact lens benefit at \$150 per year per employee is also funded in this account for full time employees.

**920-9210 OPEB TRUST FEE - \$17,500**

The Town has joined the RI Interlocal Trust OPEB funding Program. The Plan is managed by Vanguard and because other municipalities will be pooling their funds together, the fees to manage the trust will be much lower.
