Old Business: The search for the oldest person in Charlestown continues. The person should be in their late nineties. It is possible we will just contact pastors of the different churches in town,

Joan Wicklund spoke with a member of the town committee about funding for noise reduction in certain rooms at the senior center.

It appears that the Charlestown budget for 2016/2017 is committed. There are not monies available for noise reduction at the senior center.

New Business: We continued to discuss affordable housing which led us to the topic of TRANSPORTATION. With an aging population.

transportation can become a very important problem. We discussed how residents could get food delivered, pharmacy delivered, rides to medical appointments. etc..

Public Comment: None

Adjournment: 2:25 pm

Respectfully submitted.
